

Transit Map. City of SynRG. 2024 Spring – 2026 Spring

The map illustrates a network of transit lines connecting various stations across the City of SynRG. The lines are color-coded and labeled as follows:

- YL**: Yale Ling Everline (Blue)
- AC**: Pathway of Agreement/Concord (Brown)
- AS**: Argument Structure Line (Green)
- DS**: Discourse Line (Orange)
- FT**: Feature Express (Pink)
- MC**: Line of Microvariation (Dark Green)
- MV**: Line of Movement (Light Pink)
- NG**: Negative Line (Magenta)
- NM**: Line of Nominalization (Cyan)
- SM**: Syntax-Morphology Interline (Red)
- SP**: Syntax-Phonology Interline (Yellow)
- SS**: Syntax-Semantics Interline (Purple)

Stations are marked with colored boxes containing codes corresponding to the line they belong to. Some stations have names associated with them, indicating specific locations or events. The map also shows a large body of water (Lake) and a grey dotted line representing a boundary or route.
